

Center for Joint and Strategic Logistics

Our Purpose

CJSL is governed by the Assistant Secretary of War for Sustainment and the Joint Staff Director for Logistics to enhance Joint Force readiness by educating logistics leaders, identifying innovative logistics solutions, and connecting experts from across government, industry, and academia.

Our Partners

CJSL works with and provides support to a wide variety of stakeholders which includes Department of War and State offices and agencies, Military Services, Combatant Commands, Regional Centers, Joint Professional Military Education institutions, multinational organizations, and industry practitioners.

Our Core Offerings

- ✓ Assist with the development of logistics professionals
- ✓ Synthesize wargame and readiness exercise outcomes to advance joint logistics doctrine and curricula
- ✓ Sharing lessons learned and best practices to shape curriculum and doctrine
- ✓ Foster collaboration by connecting military leaders with academic and industry partners
