## About the Joint Logistics Course (JLC)

The Joint Logistics Course (JLC) sponsored by the Joint Staff J4 and is conducted over a four (4) week virtual classroom setting or a two (2) week resident class located at Fort Lee, VA.

The core curriculum prepares intermediate level officers, Senior NCO & DOD Civilian logisticians to understand strategic organizations, authorities, and processes associated with the Joint Logistics Enterprise.

The course challenges students to apply joint logistics doctrine in a Joint, interagency, and/or multinational context. Instruction includes Microsoft Teams webinars, guest speaker engagements, case studies, and practical exercises.

## Educational Outcome:

JLC graduates will be confident and capable in applying their knowledge of organizations, authorities, and processes that comprise the Joint Logistics Enterprise (JLEnt\*) in assuring both readiness and the planning and executing of support across the spectrum of competition.

### Joint Logistics Enterprise (JLEnt)

*\*The JLEnt is a multi-tiered matrix of key global logistics providers cooperatively structured to achieve a common purpose (JP 4-0, May 2019).*
