How You Can Help

- ❑ Digitize your work
 - Automate as much as possible & store in database, not documents/.pdfs
 - Expose the data you use to others "to the left & right" and "above & below"
- ❑ Share your work
 - Lessons Learned/Best Practices
 - Consensus in your logistics Functional Community
 - Authoritative Data
 - Business Rules
 - Influence policy, resourcing, etc.
- ❑ Become informed on Digital Age capabilities
 - "Big Data," "Analytics," "Data Science," etc.
 - Understand how they can make your job easier/faster/better
